

**STATE INSTITUTE OF
MEDICAL EDUCATION & TECHNOLOGY**
A GOVERNMENT OF KERALA UNDERTAKING

VISION

*"Moulding professionals par excellence with
integrity, fairness and human values."*

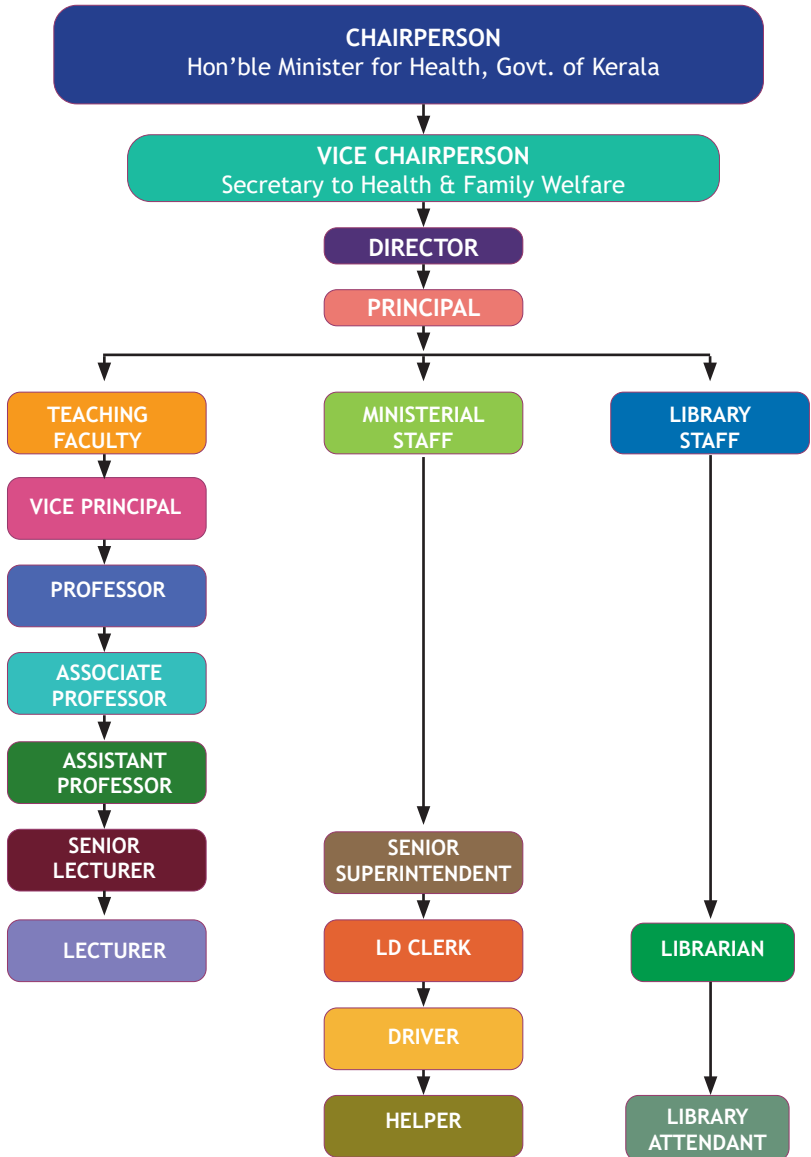

MISSION

- ▶ We commit to develop our institutions into centres of excellence with international standards.
- ▶ We guide our students in the attainment of intellectual and professional competence for successful coping with the rapid advancement of medical technology.
- ▶ We help our students in their personal growth into mature, responsible citizens.
- ▶ We strive to cultivate a sense of social responsibility in our students, empowering them to serve humanity.
- ▶ We promise to ensure a healthy, stress-free environment where the quest for truth is encouraged.

CORE VALUES

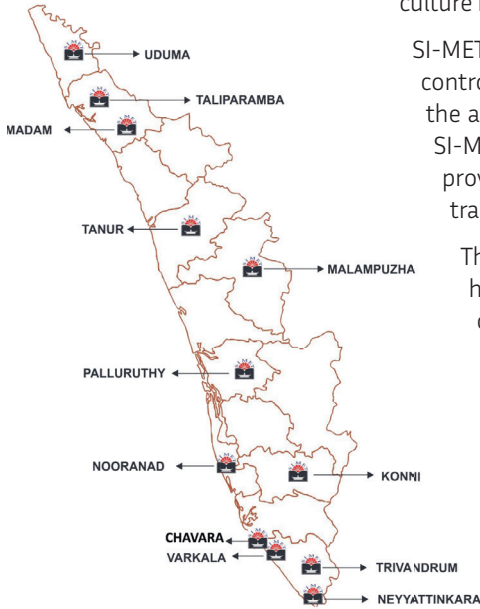

- » **Excellence**
Co-creating and implementing transformative strategies for continuous growth and development of the profession.
- » **Evidence-Based Practice**
Enabling students for integration of research evidence, clinical expertise and patient preferences in patient care.
- » **Compassion**
Imparting patient care based on empathy, respect and dignity.
- » **Integrity**
Respecting the dignity and moral wholeness of every person without conditions.
- » **Innovation**
Engaging in innovative practices to improve patients' experiences, health outcomes and nursing practice.
- » **Interdisciplinary Collaboration**
Working together as a team by applying trust, respect, willingness and effective communication to improve patient outcomes.

ORGANOGRAM

EXCLUSIVE SERVICE DELIVERY OF SI-MET

The State Institute of Medical Education and Technology (SI-MET) established in 2008, is a pioneering initiative under the Department of Health, Government of Kerala. Our mission is to revolutionize Medical and Paramedical Education while fostering a robust research culture in these fields.

SI-MET is a fully government-owned and controlled institution, functioning under the aegis of the Govt. of Kerala. Currently, SI-MET oversees 12 Colleges of Nursing, providing top-notch education and training to students.

The General, District and Taluk hospitals under the Directorate of health services serve as Parent Hospitals and nearby Medical College hospitals are affiliated hospitals of SI-MET institutions. We follow a competency-based curriculum designed by the Indian Nursing Council (INC) and approved by State council (KNMC) and the Kerala University of Health Sciences (KUHS).

+ SI-MET offers the BSc Nursing course (4-year programme) with 60 seats. It also offers the Post Basic BSc Nursing course at SI-MET Palluruthy, with 30 seats sanctioned per year.

Admission Process

SIMET adheres to a transparent, merit-based admission process.

- **Merit Seats:** 85% of are seats allotted from the state merit list prepared by the LBS Centre.
- **NRI Seats:** 15% of are seats allotted on merit by the LBS as per Government regulations.

INFRASTRUCTURE

SI-MET colleges are equipped with fully functional laboratories as prescribed by the Indian Nursing Council (INC) to support effective teaching and hands-on clinical training.

All laboratories are regularly updated and maintained according to INC, KNMC and KUHS norms, ensuring that students receive comprehensive practical exposure aligned with current nursing education standards.

Advanced AV aids to support teaching-learning activities.

Good library facilities with the latest editions of books.

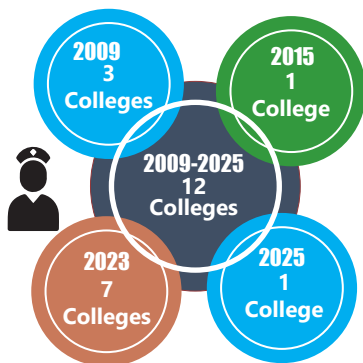

HISTORICAL MILESTONES

The institution began its journey in 2009 with 3 Nursing colleges in Ernakulam, Kasaragod, and Palakkad, followed by a fourth institution in Trivandrum during 2015. It expanded rapidly in 2023, adding 7 more Nursing colleges across Kerala, and further grew in 2025 with the addition of a college in Chavara, Kollam.

+ SI-MET

SIMET signed an MoU with UNIVERSITY KLINIK SAARLAND in Germany, and the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) jointly implemented the Global Skills Partnership for Nursing for optimizing the education and employment opportunities of nursing students and broadening their global perspectives.

SUCCESS STORIES

MAIN ACHIEVEMENTS

SIMET's Global Skills Partnership Program with University of Klinikum Saarlandes (UKS), Germany-a first-of-its-kind initiative in India-offering nursing students exciting career opportunities in Germany.

SIMET institutions boast an impressive academic track record of BSc Nursing programme, with over 98% of admitted students successfully graduating and among them 95% of graduates securing placements in esteemed national and international institutions. This outstanding achievement underscores the institution's commitment to academic excellence and career development.

FACT SHEET

SIMET institutions have a total student strength of 2,303 (BSc Nursing, & Post Basic BSc Nursing) with 22 students from the northern states of India through the Prime Minister's Special Scholarship Scheme (PMUSPY), adding to the vibrant student community.

Government district/taluk hospitals serve as parent hospitals for the clinical training of students.

Government Medical Colleges are affiliated hospitals for specialty training.

202 teaching staff and 126 non-teaching staff, ensuring effective academic and administrative activities.

Colleges record 98% academic success and 95% employability, with more than 60% overseas placement.

ROLES AND RESPONSIBILITIES

The State Institute of Medical Education and Technology (SIMET), as a premier nursing educational institution across Kerala, is dedicated to empower students to become skilled and compassionate registered nurses. SIMET aims to produce highly competent nurses who deliver expert patient care, meeting the healthcare needs of Kerala and beyond.

FUTURE ROAD MAP

INFRASTRUCTURE AND ACADEMIC DEVELOPMENT

- Launching specialized PG programs and PG Diploma programs in speciality Nursing.
- Establish Allied Health Sciences College.
- Develop certified program to deliver competent and compassionate caregiver training in Geriatric and Palliative Nursing.
- Aligning curriculum with global standards for international opportunities
- Establish a campus placement cell.

TECHNOLOGICAL ADVANCEMENT & DIGITAL TRANSFORMATION

- **Simulation Lab:** Establishing Geriatric Nursing Simulation Training Labs and Virtual Reality (VR) training in Emergency and Critical Care training.
- **Campus-Wide Digital Integration:** Creating a fully connected “smart campus” with Wi-Fi enabled classrooms and a robust digital library accessible from anywhere.

RESEARCH & DEVELOPMENT

- Establish a research centre for undertaking research projects for faculty and students and offer PhD programs.
- Conduct a National Conference every year and International Conference every two years, focusing on cutting-edge topics to update and upskill the nursing fraternity.

GLOBAL ENGAGEMENT & LEADERSHIP

- International Student Exchange: Formalizing partnerships with Universities abroad for student exchanges, joint degrees, and cross-cultural clinical placements.
- Alumni Global Network: Creating a powerful digital platform to connect alumni worldwide for mentorship, career opportunities, and knowledge sharing.

INFRASTRUCTURE EXPANSION

- Construction of new buildings for SIMET colleges with advanced simulation labs and an internationally accepted Objective Structured Clinical Examination (OSCE) centre.
- **Wellness and Innovation Hub:** Building a student centre focused on mental well-being, collaboration, and enterpreneurial ideation.
